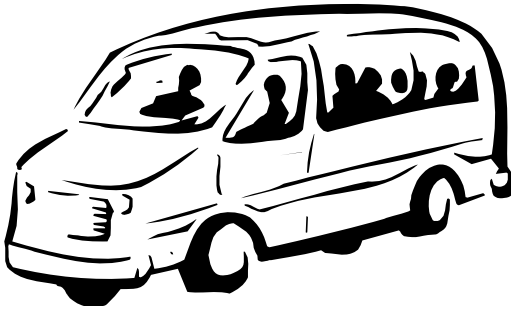
WE ARE LOOKING FOR A 12 PASSENGER VAN

The news was sobering. The sub frame on our 1993 six passenger van is deteriorating. heavy road salt use has taken its tool.



The six passenger van requires multiple trips or a second driver whenever we have a field trip, visit a Hamfest, shuttle kids to the youth center for youth group or when weather requires us to transport our After School crowd home.

Please spread the word that we are looking for a 12 passenger van with seats. Remember all gifts are tax deductable.
