## Donor Option 1903

Greater Rochester United Way donors can direct their donations to On The Road Youth Ministry by designating Donor Option 1903.

The Fishermen's Net is part of On The Road Youth Ministry.

**United Way  
of Greater Rochester**

## TECH CLASS UPDATE

Classes continue with the main class on Mondays from 7:00-8:00 and smaller groups meeting during After School time. We have 16 students.

Tech exams will be given at THE BRIDGE on Saturday, April 2. The exams will be given by The Rochester Amateur Radio Association RARA with assistance from the Genesee Valley Amateur Radio Association GVARA.

Ken Haywood KC2REY has been hard at work programming the MT1000's so they are ready to go for our new licenses.

## WEBSITE OF THE MONTH

### Scanner Crystals

<http://stores.ebay.com/Lotsforsale007>

Excellent source for Regency TMR 10.7 and Bearcat BCT 10.7 scanner crystals. I have made multiple successful purchases

## SCANNER NEWS - Monroe County Testing 159.210

Monroe County has begun testing with NAC153 P25 and encryption on 159.210. Be sure to also listen on 155.910, 156.030, 156.090, 156.150, 156.210, 158.730, 158.850, 158.955, 159.030, and 159.090.

## New York State Cancels 800 MHz licenses

Good riddance to the 800 MHz state frequencies which have been cancelled! The terrain in most of the state makes these frequencies impractical.

Plus the trouble ridden Open Sky system will now never be a reality. Sadly many taxpayer dollars were wasted.

## WE ARE LOOKING FOR A 12 PASSENGER VAN

The news was sobering. The sub frame on our 1993 six passenger van is deteriorating. heavy road salt use has taken its toll.

The six passenger van requires multiple trips or a second driver whenever we have a field trip, visit a Hamfest, shuttle kids to the youth center for youth group or when weather requires us to transport our After School crowd home.

Please spread the word that we are looking for a 12 passenger van with seats. Remember all gifts are tax deductible.
